

Assisted Living communities represent more than a third of our membership nationwide. As an important part of the continuum of aging services, Assisted Living members benefit from LeadingAge's open learning environment and the opportunity to network with not-for-profit providers that share their values. Members hear from one another what's working, identify key innovations and how to implement them, and discover ways to expand their service offerings to improve the lives of older adults.

MEMBER BENEFITS SPECIFIC TO ASSISTED LIVING

- > Assisted Living, Dementia and Wellness Listservs
- > CCRC-Assisted Living Report Newsletter
- > Market Position Reports by Avalere
